"Christians have a duty to be politically active, to register and vote, to lobby and educate candidates and elected officials, and to speak up about the issues that affect the common good. The Church does not set up the voting booths, but when we go into the voting booths, we don't cease to be members of the Church! If we don't shape public policy according to moral truths, why do we believe that moral truth at all?"

*Fr. Frank Pavone, Director, Priests for Life*
