### An Archdiocesan Synod Survey Update:

Nearly 16,000 households participated in the Archdiocesan Synod Survey on parish vitality. This far surpassed our expectations. Your honest and constructive input will help map the plan as we work to ensure strong parish vitality in the years to come. Thank you to all those who participated. We are now working to analyze the wealth of information provided by all who participated. A report to the archdiocesan family will be sent to all households later this spring. Please continue to pray for all involved in this important undertaking that the Holy Spirit will direct their work.

Chairperson Wayne Frost and the Bosco Catholic School System School Board, is pleased to announce that Shelby Douglas will assume the responsibilities as Principal for the entire K-12 system beginning with the 2022-2023 school year. After prayerful consultation with the Archdiocese of Dubuque the School Board chose to expand Mrs. Douglas's current role as the Principal for K-8 to that of K-12. In support of this expanded role the school will hire a School Operations Manager to handle the administrative functions of the school not related to instruction and student development, allowing Mrs. Douglas to focus on the spiritual, academic, physical and social development of the students. These changes will take effect on July 1st, 2022. BCSS will be posting the position of School Operations Manager very soon!
