Slogans used to defend abortion-

"Abortion is a single issue."

We hear this all the time and it sounds sensible, right?

Wrong! Abortion is a multi-faceted issue because abortion is the tool of choice of racists, sexists, and materialists. *A single issue or racism?* African Americans (11% of the population) have 37% of all abortions. *A single issue or sexism?* Women have a legal right to abortion but no legal right to be informed about the risks of abortion and the alternatives to abortion. *A single issue or materialism?* Each year the money from abortion rivals the cash flow of many Fortune 500 companies.
