What kind of backward-thinking mind sees the right to abort one's own offspring as a symbol of freedom? As pro-life feminist Frederica Mathewes-Green once wrote, women have abortions for the same reason an animal will gnaw off its own leg to get out of a trap. She pointed out that abortion is not a sign that women are free, but proof that they are desperate.

St. Joseph Parish is in need of Lectors for the 5:30 PM Saturday Masses. If you would like to volunteer for your parish in this selfless and prayerful way, please call or email the parish office between 8-2 or contact Fr. Huber.

THANK YOU NOTES

Thank You for all the cards, best wishes, flowers, phone calls and texts for our 60th Wedding Anniversary. It was wonderful to hear from so many people. God Bless You All.
