Join us in Perpetual Adoration

The effects are enormous! Since adoration began in the Cedar Valley 10 years ago we have seen huge benefits. A great increase in our religious sisters, seminarians, and priests from our area and the Archdiocese. Spiritual growth in

our parishioners and community. Plus you get to spend time with Jesus! Will you spend an hour with him?

Currently, we have a need for adorations at Fridays at 8:00 PM and Friday at 3:00 PM. For more information about Perpetual Adoration or to sign up contact William Brandle at 319-939-9000 or cvadoration@gmail.com

Notice from St. Mary's Cemetery and Sancta Maria Cemetery-

All flowers and decorations not on the cement foundation of the monument must be removed by next weekend. All Sheppard's hooks not in the foundation must be placed right next to it. Your cooperation makes a big job of mowing and weed trimming a little easier. Thank you.

"It is easy to love the people far away. It is not always easy to love those close to us. Bring love into your home, for this is where our love for each other must start."
Mother Teresa

Most of us would somewhat sheepishly agree that our acquaintances, colleagues, and neighbors see our best self, while we let everything hang loose in our homes. Would we dare pick fights, argue, ignore, shame, or manipulate those far away? Probably not. We find it easier to love the people who don't know us well, and vice versa, but Mother Teresa suggests that love isn't fully realized until it involves the hard work of accepting the faults and failures of those closest to us. In order for love to truly be love, it must involve sacrifice and selflessness. We must offer the best of ourselves to our families

Thank You Notes

I would like to thank everyone for the gifts and cards and wishes for my 85th birthday and my family for everything. Thank you all.
