This week's Mercy Challenge In Sunday's Gospel Jesus shows mercy to the sinful woman; he shows us the connection between forgiveness and love or mercy and love. We are enabled to show love and mercy to the degree that we have been able to accept love and mercy. Can you name three people who have shown you love and mercy in your lifetime?
 Family Challenge: Take a "Family Mercy Assessment." Ask family members to rate on a scale of 1 (low) to 5 (high) how well they experience love and mercy in the family.

SHOP FOR CHINANDEGA THIS SUMMER!

Very early this September, 2016, the Waterloo Downtown Rotary Club will be collecting boxes of items to be sent as Christmas presents to children living in Chinandega, Nicaragua. These boxes are an important part of encouraging these young people to receive an education which can help them to escape from poverty. The Bosco System has again offered to fill 300 boxes about the size of a large shoebox. Because they will be needed so early in the school year, we have already begun preparations.

The boxes will be picked up by the first week in September. In order to be ready for pick up then, we need to receive all items by August 30th. Since school begins August 25th, the building will be open and items can be brought into the school all that week. That will give us one week to go through the boxes to make sure they have all necessary items.

The sign-up for boxes is beginning now. If you or your family would like to fill a box or boxes, both the Don Bosco (296-1692 or 827-6056) and the Immaculate Conception (296-1089) offices will have sign-up sheets and will be able to accept calls during office hours, OR, you may call Mrs. Hellman (319-231-8151) any time this summer to choose a boy or a girl of a certain age.

THANK YOU so much for your generosity to these children!

" In the poor and outcast we see Christ's face; by loving and helping the poor, we love and serve Christ"
Pope Francis

We are starting to prepare for our return **mission trip to Guatemala** through the global help organization International Samaritan. Two years ago we took 12 students and adults from Don Bosco to work in the Zone 3 community of Guatemala City. Mornings are spent working with students at the Francisco Col school, while afternoons are spent on building projects that enhance the lives of the students and families in that community. It is completely safe and extraordinarily rewarding. All ages are welcome and families are encouraged to participate together! Students under the age of 15 must have a parent or older sibling 18+ participate.

Our reserved week is June 24-July 1, 2017. Cost is projected to be \$2200, including airfare, housing at a nice retreat center, all meals, private transportation, security, and a day trip to the beautiful town of Antigua. A deposit of \$500 is required to reserve your spot. We will limit our group to 20 participants and will be opening the opportunity to the metro community as well to insure we have a full group .
