THANK YOU NOTES

Thank you to St. Mary's Circle for assisting in the funeral dinner for the Donna Girsch family and St. Rita's Circle for assisting in the funeral dinner for the Larry Schmit family. **St. Rose's Circle will be in charge of the next funeral dinner for Immaculate Conception Parish.**

From the Card Ladies- The recycle greeting card ladies are getting very low on wedding cards to recycle. If you have some, and can now part with them, that would be great. Just drop them off in the south east entrance of Immaculate Conception Church or at the Gilbertville branch of Farmers State Bank. Thanks!!

Bosco Schools News

Summer is a busy time at the schools. We're currently removing the flooring, repainting the walls, and putting new flooring in the middle school classrooms; we're moving some of the administrative offices around in the high school; the dirt parking lot where the old St. Mary's Hall stood is getting paved and we're starting the site work for the new playground at St. Joseph's.

Congratulations to our new school management team! Shelby Douglas is moving from our K-8 Principal to the new K-12 Principal position. Tom Hogan will be our new School Operations Manager responsible for all non-instructional aspects of the school. A new Activities Director will be hired to fill Tom's old role.

Many of you have seen video of the destructive flooding in Yellowstone. In addition to damage in the park, the flooding has caused short and long term problems for surrounding communities.

The parish that hosted me on my sabbatical is in one of those communities. St. William parish in Gardiner exists to serve tourists and survives because of tourists to Yellowstone. They are facing the prospect of a full year without tourists in 2022-2023.

I'm planning on making a donation to St. William parish to assist in their time of need. I would like to give anyone interested the opportunity to do the same.

If you would like to donate, please do the following:

1. Make a check out to either IC of St. Joseph
2. Write "Yellowstone" in the memo line on the check and place it in an envelope marked "Yellowstone".
3. Bring the envelope to the office or throw it in the collection basket next week.

Thank you for your generosity.

Grotto Update- The reconstruction of our grotto will begin in August. We will be doing some clean up of the bushes surrounding the grotto first and then begin collecting rocks. More information on that to follow. If you wanted to make a donation and haven't yet there are envelopes in the church entrance for you.
