Thank you to St. Ann's Circle for assisting in the funeral dinner for the Julius Delagardelle family and St. Mary's Circle for assisting at the dinner for the Vickie Damro family. **St. Rita's will be in charge of the next funeral dinner.**

"The problem with our world is that we draw the circle of family too small."

If we consider this statement literally, then the word family would encompass our family of origin, immediate, or extended family. But Mother Teresa is asking us to look broader and consider that every person is a member of our family. Since we are all adopted sons and daughters of the Heavenly Father, we are adopted siblings through the bond of Jesus and under the protection of His mother. If we remembered that every person is part of our family in a metaphysical sense, perhaps we would treat people with more patience, kindness, and thoughtfulness.

We want to be sure that we continue to be open and transparent in all our communications. **The survey will be sent on 10 July, 2018 via e-mail, BCSS Web Site and Facebook under "Bosco Catholic School System"**. Please mark your calendars and watch for the survey. Please take the time to fill it out as directed. 529 College Savings Plan Changes

College Savings Plans, commonly known as 529 plans, have allowed individuals to invest funds that grow tax free for qualified college education expenses. IF the funds are invested in a College Savings Iowa plan or an IAdvisor 529 plan, the State of Iowa allows an Iowa tax deduction for the first \$3,319 contributed per beneficiary per year. The donor names a beneficiary for the funds, most often a child or grandchild.

Example: If you have three grandchildren you could invest \$3,319 for each of the grandchildren for a total contribution of \$9,957. (\$3,319 X 3). If you are married, your spouse could also make a contribution of \$9,957.

The funds grow tax free until the beneficiary needs the money to pay for qualified education expenses. The distributions to the beneficiary are completely free from federal and state income taxes.

Recent tax law changes have expanded eligible distributions to tuition at accredited elementary or secondary (K-12) schools in Iowa.

Example: A married couple could contribute the \$3,319 each for a newborn infant grandchild for five years. When the child enters kindergarten at age 5 there is already a nest egg of \$33,190 plus investment earnings to pay tuition to Immaculate conception/St. Joseph School and Don Bosco High School. Any cash remaining after the child has graduated high school can be used for college costs. The couple has also saved approximately \$3,000 of state income tax.

If you have questions about 529 plans, please contact one of our school board members or your financial advisors.

COF Youth members can go to the Lost Island Water Park on **Sunday, July 8** from 3:00 PM. to 6:30 PM for just \$5.00. Everyone else can attend for \$10.00. See Donna Delagardelle at the front entrance to pay and get your pass. There is a rain date of July 15.

Paper Collection Trailer

A big thank you to everyone that has taken the time to donate papers to our paper collection trailer. Please be patient when the trailer is full. PLEASE DO NOT leave paper/cardboard sitting outside the trailer. A call is placed for pick up; however, we are put on a list and not guaranteed a pick up day. A lot was left outside the trailer in the last few weeks. We had to find someone to load it and pay to take it to the landfill because it was rained on several times. So not only did we lose the profit from those donations, but also had to pay to dispose of the wet paper/cardboard left outside. If you do not want to check back, please recycle your paper elsewhere. Do not leave it outside the trailer. Please do not put pizza boxes, styrofoam or empty boxes in the trailer, the company deducts from our earnings. We ask that you take your paper as far back into the trailer as possible. The better we pack the truck, the more money we will receive.

Scrap Metal Collection

People are putting appliances next to the scrap metal dumpster by the football field. The scrap metal company will only take what is inside the dumpster. Please do not put items next to our scrap metal dumpster. Refrigerators/freezers are not accepted

If you are interested please call the school at 319-296-1692. The minimum pay for school activities driving is \$12.50 per hour. For the position, the person must hold a class CDL with an endorsement for passengers and air brakes.
