~~~~~ **529 College Savings Plan Changes**

College Savings Plans, commonly known as 529 plans, have allowed individuals to invest funds that grow tax free for qualified college education expenses. IF the funds are invested in a College Savings Iowa plan or an IAdvisor 529 plan, the State of Iowa allows an Iowa tax deduction for the first \$3,319 contributed per beneficiary per year. The donor names a beneficiary for the funds, most often a child or grandchild.

Example: If you have three grandchildren you could invest \$3,319 for each of the grandchildren for a total contribution of \$9,957. (\$3,319 X 3). If you are married, your spouse could also make a contribution of \$9,957.

The funds grow tax free until the beneficiary needs the money to pay for qualified education expenses. The distributions to the beneficiary are completely free from federal and state income taxes. Recent tax law changes have expanded eligible distributions to tuition at accredited elementary or secondary schools in Iowa.

Example: A married couple could contribute the \$3,319 each for a newborn infant grandchild for five years. When the child enters kindergarten at age 5 there is already a nest egg of \$33,190 plus investment earnings to pay tuition to Immaculate Conception/St. Joseph School and Don Bosco High School. Any cash remaining after the child has graduated high school can be used for college costs. The couple has also saved approximately \$3,000 of state income tax.

If you have questions about 529 plans, please contact one of our school board members or your financial advisors.

Communications Survey

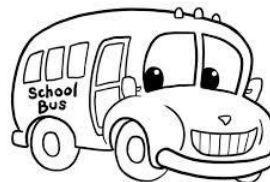

Bosco Catholic School System and Foundation Committee We need your Help!! We are preparing to send a "SHORT" survey to everyone asking the best way for us to communicate with you on subjects concerning the ongoing development of the Bosco Catholic School System. We have had positive feedback on the Legacy Planning Meeting and the meeting Fr. Huber had on Funeral Planning. We want to be sure that we continue to be open and transparent in all our communications. **The survey will be sent on 10 July, 2018 via e-mail, BCSS Web Site and Facebook under "Bosco Catholic School System"**. Please mark your calendars and watch for the survey. Please take the time to fill it out as directed. If you have any questions, please contact Casey Redmond (296-1692) or Steve Phillips (414-870-7409). Thank You.
