Notice for all cemeteries- Please have any decorations that are **placed on the grass** around the grave of your family member removed. Any decorations that are on the headstone or on the concrete foundation that are not in the way of mowing or trimming are welcome to stay in place. We also ask that all Shepard hooks be placed immediately next to the foundation. Please refrain from placing decorations on the grass for the remainder of the summer. It is greatly appreciated that family members maintain any decorations that become weathered, as these decorations often times blow off and begin to look unsightly. Thank you.
