“The family that prays together, stays together, and if they stay together they will love one another as God has loved each one of them. And works of love are always works of peace.”

No one wants a shattered family, afflicted by divorce or separation, wayward children, or icy silence among its members. **Mother Teresa believed so strongly in the power of prayer that, if families chose to pray with each other regularly, they would become authentic witnesses of peace.** As a spiritual fruit, peace is often granted to those who seek God through daily communication with Him. What is sorely lacking in our world is teaching our children how to love God at home. [Prayer produces love](#), which yields the gift of peace.

LOST- Looking for a blue tarp, approximately 30' X 8', from the side of a tent that was used during Gilbertville Days. If you know anything about where it may be, please call Gilbertville City Hall at 296-1822.
