Area Events

As you know, a tornado caused damage to parts of Marshalltown, including some to some of St. Mary parish buildings. Damage to roofs, windows, and door to the church (the church can still be used). Thanks be to God in the community no death resulted.

Unfortunately, there was damage to the homes, properties, and cars of people (including parishioners) living in the not-as-prosperous part of town. Catholic Charities personnel were on the spot to help assess what help is needed, and how to help. Therefore, to help St. Mary parish help people who need help, we will take up a second collection at all Masses

Make your checks out to Immaculate Conception or St. Joseph Parish, clearly marked that it is to benefit Marshalltown. All the monies will be then sent to St. Mary parish for distribution when they request it.

Thank you for this act of mercy.

**.. Last Chance!** The *Summer Sewing Series* is coming to an end. This month's gathering is our last until next year! It's been fun meeting someone new each time we've sewn! Everyone is welcome, but you will need to bring your own sewing machine, pins, and scissors! If we finish those, we will continue June's sew day project: dresses, skirts and purses for school girls in Chinandega, Nicaragua.
