The slogans used to defend abortion create a Language of Illusion which may sound loving and logical, sensible and democratic. In reality, these slogans manipulate feelings and distort the meaning of words:

#### **Abortion is a single issue. Sounds feasible, doesn't it?**

Wrong! Abortion is a multi-faceted issue because abortion is the tool of choice of racists, sexists, and materialists.

#### **A single issue or Racism?**

African Americans (11% of the population) have 37% of all abortions ([gutmacher.org](http://gutmacher.org)).

#### **A Single Issue or Sexism?**

Women have a legal right to abortion but no legal right to be informed about the risks of abortion and the alternatives to abortion.

#### **A Single Issue or Materialism?**

Each year the money from abortion rivals the cash flow of many Fortune 500 companies.

**Fall Quilting, Part Two-** We were able to get a start on the patriotic quilt in September. However, there is more work to be done. If you are interested in helping make this quilt for a veteran (to be donated through Cedar Valley Hospice), please join us at the Dunkerton Public Library on **Tuesday, October 23, 10:30-2:00.** You do not have to be a quilter to help.
