

LET'S FINISH STRONG!

Through the *Everyday: Sustaining the Bosco System Legacy* Capital Campaign, Catholics across the Bosco Community are coming together as one faithful community to support our Catholic school system. The outpouring of support has been tremendous. Hundreds of families have answered the call. To date, more than \$850,000 has been pledged. What a tremendous blessing!

Through your generous support and prayers, we are strengthening the very foundation of our faith. If we come together as one to meet these challenges, we will be responsibly prepared to address the needs of the campaign. Please visit www.boscosystem.net to learn more about our goals.

COMMITMENT WEEKEND

Thank you to everyone who has made their commitment. And thank you to everyone who will give in the future. Next weekend (April 2 & 3), the formal fundraising period will conclude at our parish with "Commitment Weekend." We will be dedicating a brief amount of time during Masses to discuss the campaign as we try to finish on a positive note. Anyone who has not yet made their sacrifice will be given the opportunity to do so.

Please pray about how you can make a difference. Together, we will ensure that our children continue to receive a quality Catholic education in safe, modern facilities. Together, we will ensure that our faith remains strong for generations to come.
